Project Experience

Foothill College Bookstore

Designed a College Merchandise.

Foothill College CS Club

- Did Illustration for Holiday Hackathon which was organized by Foothill College CS Club.
- Designed Digital flyers for the event.
- Worked with Club members to design the web page.

Volunteer Experience or Leadership

Akiwi - College Startup *May 2020 - December 2020*

- Volunteered as a UX/UI designer in a College Startup. Our Goal is to develop a web app for College Students to connect students on campus.
- Developed wireframes and prototypes. Communicated design ideas and prototypes with developers.
- Worked with UI designers to implement attractive designs.

Valiant University Family Event *February 2019*

- Volunteered and participated in community event. My professor hosted a character design drawing activity for youth grades K-8.
- Helped students in drawing different characters and represented Foothill College Design Department.

Work Experience

Foothill De-Anza Police Department

Los Altos Hills, California
October 2020 - June 2021

- Worked as Police Student Aide (PSA) at the police department of Foothill College. Acted as the "eyes and ears" for the Police Department.
- Doing citations, vehicle escort and redirecting the on campus emergency requests and any suspicious activities to Dispatch, Senior Officers and abided the standard protocols established by the Department.

Foothill College Bookstore

Los Altos Hills, California
October 2018 - October 2020

- Responsible for inventory managements, processing and stocking incoming and outgoing shipments.
- Manage Online & In-store purchase orders and submitting everyday sales report of In-store purchases and other transactions.
- Provide excellent customer service for incoming customers in the stores and assist in queries for seamless purchase experience.
